

PROJECT INSTRUCTIONS

INITIAL COURSES

- Layout row 1-3 as shown gluing between each course.

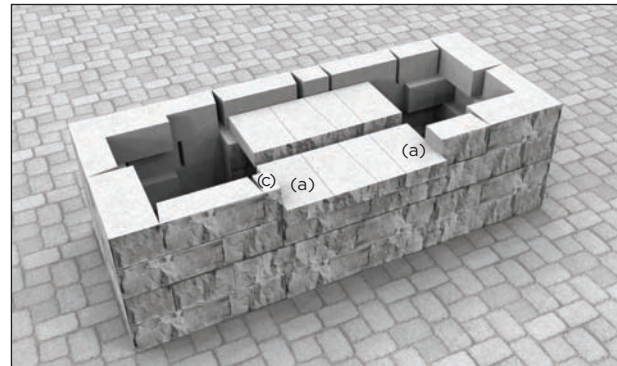

- Layout row 4 cutting a 6" unit to length to fit the grill. (c)

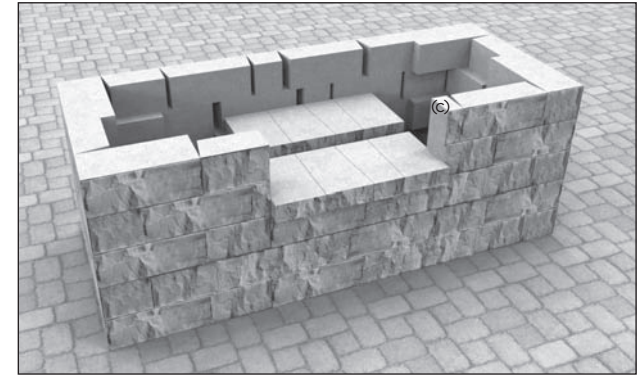

GRILL INSERT

- Layout the caps as shown cutting to fit the opening using the 2 cap ends (a) to give texture on the exposed areas.

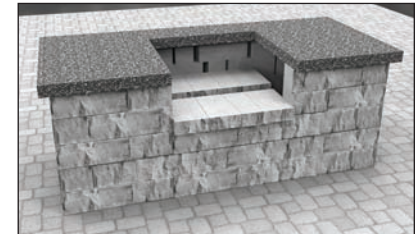

- Layout row 5, again cutting a 6" unit to fit. (c)

FINISH

- Add your selected countertop to the surround.

- Install your grill.
