

Obtain the distinctive look of layered natural stone in an easy-to-use size for landscaping projects up to 2 feet high, including buried course, but excluding the cap.\* Ideal for smaller-scale projects, this product has a warm, textured look that enhances many architectural styles. A complementary cap completes the system.

Lightweight and easy to handle, the Natural Impressions<sup>®</sup> Flagstone 4" x 12" product is perfect for smaller-scale projects - borders, planter rings, raised gardens and small retaining walls.

Plus, this product features the original rear-lip block for quick and easy installation.

*\*This height assumes level backfill and clean, compacted sand or gravel and no surcharge.*

**No pins. No mortar.  
No misalignments.**

Rear-lip block, invented by Anchor, makes installation fast and accurate. Anchor - the original rear-lip product!
